FARM to FRIDGE

FROM our FARMS

Milk comes from dairy farms where farmers take great care of their cows

to a DAIRY COMPANY

Milk is tested, pasteurized and bottled or made into cheese, yogurt or ice cream

to the GROCERY STORE

Milk travels to the grocery store or your school in as little as two days

to YOUR FRIDGE

Milk, cheese and yogurt are healthy foods that help you and your bones grow big and strong!

Visit Drink-Milk.com for more information about your dairy foods
