

# FARM *to* FRIDGE

FROM  
*our* FARMS

Milk comes from dairy farms where farmers take great care of their cows

to a DAIRY  
COMPANY

Milk is tested, pasteurized and bottled or made into cheese, yogurt or ice cream

to the  
GROCERY STORE

Milk travels to the grocery store or your school in as little as two days

to **YOUR FRIDGE**

Milk, cheese and yogurt are healthy foods that help you and your bones grow big and strong!

Visit [Drink-Milk.com](http://Drink-Milk.com) for more information about your dairy foods
